

## WAGERING GUIDE (FOR THOSE THAT WANT TO KNOW MORE)

### ADDITIONAL BET TYPES (AVAILABLE IN DESIGNATED RACES)

PICK 3: Selecting the winners of a designated set of three consecutive races.

PICK 4: Selecting the winners of a designated set of four consecutive races.

EXACTA: Selecting the first two finishers in a race in their exact order.

TRIFECTA: Selecting the first three finishers in a race in their exact order.

SUPERFECTA: Selecting the first four finishers in a race in their exact order.

### MULTIPLE BET TRANSACTIONS

#### ACROSS – THE – BOARD

This is a combination wager that allows for a bet on a horse to win, place or show. All three bets are combined into one transaction. If your selection wins, you collect on all three wagers; if your horse finishes second you collect on place and show, and if your horse finishes third, you collect for show.

#### BOXING

A popular form of betting that is simply a wager whereby all possible combinations are covered when dealing with a multiple number of horses in an exacta, trifecta, superfecta or daily double.

#### KEYING A HORSE

Bettors can make a “key” wager that will use one or more horses in a specific position in an exotic wager.
