TROEGS® SUNSHINE PILS

Combines the crisp taste of European style pilsners with a kicked-up hop character to create a balanced, refreshing seasonal beer. Golden in color with a fluffy white head, Sunshine Pils is the perfect beer for Summer.

TROEGS® PALE ALE

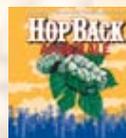

An American style Pale Ale that is aggressively hopped with Northwest Cascades and balanced with crystal malts to create a hoppy, copper-colored crisp ale. An excellent example of a classic American Pale Ale.

TROEGS® DREAMWEAVER

Spicy, peppery, clove taste with a slight hint of bananas. When serving Dream Weaver pour 3/4 of the beer into a wheat glass, rouse the yeast at the bottom of the bottle and pour the remainder into the glass for big frothy head

TROEGS® HOPBACK AMBER ALE

Deep amber in color under a huge creamy head. The aroma very apparent, bold and spicy with a slight floral character. Balanced with caramel malt, this well-rounded amber ale has an up-front floral spice that builds with a flush of sweetness.

TROEGS® JAVAHEAD STOUT

Based off of our original oatmeal stout. After the boil, the hot wort passes through our hopback vessel on it's way to fermentation. Packed full of whole leaf hops and a bed of ground coffee beans, the hopback vessel is similar to using a huge French press, intensifying the coffee nose and releasing subtle hints of coffee flavor. The result is a lush oatmeal mouthfeel balanced with cocoa, roast and subtle coffee flavors.

TROEGS® TROEENATOR DOUBLE BOCK

The Troegenator Double Bock, is a dark, strong lager (8.2% abv). It pours into a glass with a bronze to brown color, fluffy white head and bready malt aroma. The Troegenator leaves a rich, warming feeling and subtle spicy flavors.
