TEXAS HOLD'EM BAD BEAT JACKPOT

Texas Hold'em Bad Beat Jackpot

1. The Bad Beat Jackpots will be displayed in the poker room on monitors and updated each day. The new daily value is in effect at 10AM.
2. HCPN will offer one Bad Beat Jackpot payout, available on Texas Hold'em tables only.
3. 100% of the Bad Beat Jackpot value is paid if Four-of-a-Kind 7's or better is beaten by higher Four-of-a-Kind or a Straight Flush/Royal Flush.
4. Bad Beat Jackpot will be divided as follows:
 - 50% to the losing hand
 - 25% to the winning hand
 - 25% "table share" divided equally among qualified players at the table the BBJ was dealt
5. To qualify as a valid bad beat jackpot hand:
 - Both players must use both hole cards dealt to them to make the best possible five-card poker hand. For Four-of-a-Kind to be used, both hole cards must be a pair.
 - o Only the first and second highest hands will qualify for winner or loser shares of the bad beat jackpot; only when these two hands meet the appropriate qualifications will the jackpot be paid.
 - In order for a hand to be eligible to qualify for a Bad Beat payout, the pot must have reached \$20 and a minimum of four players must have been dealt in.
6. To be eligible to win the "table share" of a jackpot, a player must be "actively playing".
 - Active play will be defined as:
 - o Player must have been dealt at least one hand at his/her current table
 - o New players or players who move to a new table and were seated but had not been dealt a hand yet are ineligible.
 - o Player must not owe any missed blinds to the pot at the time the jackpot is dealt.

TEXAS HOLD'EM BAD BEAT JACKPOT

- o Player must not be away from the table for more than 10 minutes at the time the jackpot is dealt.
- The hand must go to showdown: all cards dealt, all betting complete and qualifying hands must be shown.
- If there is evidence of collusion or unethical behavior, the hand may be declared null and void. Collusion or unethical behavior includes but is not limited to:
 - o Communication among any players regarding a potential jackpot eligible hand, verbal or otherwise.
 - o Exposing cards before action is completed.
 - o Marked cards or deviation from a standard deck.
- If subsequent BBJ hands were started after possible BBJ has been announced on first table, then subsequent payouts will be made from reserve jackpot(s).
- All players with qualifying hands are only eligible to receive prize money after they provide a valid photo ID to collect their share of any jackpot.
- HCPN will not be responsible for contacting winning patrons who have failed to provide the required identification or have failed to claim their payout. All unclaimed funds will be turned over to the Commonwealth as prescribed by law.
- Use of any electronic device during play of the hand may void qualification for any jackpot.
- Management reserves the right to verify eligibility of all qualifying hands. There will be no recourse if the cards are mucked before management is able to verify the hands or the community cards. A surveillance review will be completed. Management will not be permitted to reconstruct the hands in any way. Jackpot will enter a "pending status until all reviews are completed.
- A fouled deck, switched cards, unverifiable hand, or misdeal will negate the award of any jackpot. If at any time the player's cards leave the table, the hand is unverifiable and the jackpot will be void.
