HOW TO PLAY HYBRID GAMES

To place your wager, choose the amount that you'd like to bet by touching the casino chips across the bottom of the screen. Then touch the area on the screen where you'd like to place your bet. The winning outcome will be displayed on screen, and paid out accordingly (see payouts below). The previous outcomes are shown across the top of the screen, and wagers, winnings, and credits remaining can be viewed in the bottom left portion of the screen.

HYBRID ROULETTE X (DOUBLE 00)

Welcome to Roulette X, an exhilarating, supercharged bonus roulette experience where unlocking the potential to win an incredible 250x! With each spin of the wheel, the excitement builds as when the betting period ends, between two and five roulette numbers with multipliers are randomly selected and revealed to the player. The bet wins if a straight up bet is placed on the winning roulette number. If a multiplier was randomly selected for that number, the win will be paid based on the corresponding bonus odds; otherwise, the base odds will apply for all winning bets.

ROULETTE X STRAIGHT UP PAYTABLE:

Straight up bets pay either: 30 to 1, 50 to 1, 100 to 1, 175 to 1 or 250 to 1

(Odds based on randomly selected multipliers after betting period ends)

ADDITIONAL PAYTABLES:
