SUNSHINE PILS

Combines the crisp taste of European style pilsners with a kicked-up hop character to create a balanced, refreshing seasonal beer. Golden in color with a fluffy white head, Sunshine Pils is the perfect beer for Summer.

PALE ALE

Tröegs Pale Ale is an American style Pale Ale that is aggressively hopped with Northwest Cascades and balanced with Belgian crystal malts to create a hoppy, copper-colored crisp ale. An excellent example of a classic American Pale Ale.

DREAMWEAVER

Spicy, peppery, clove taste with a slight hint of bananas. When serving DreamWeaver pour 3/4 of the beer into a wheat glass, rouse the yeast at the bottom of the bottle and pour the remainder into the glass for big frothy head

LA GRAVE

Inspired by nature's untamed beauty, LaGrave (pronounced \l?-gräv) is the first of our 12.7-oz. corked and caged bottle releases. Bottle conditioned and highly carbonated, this Triple Golden Ale is steeped in the tradition of strong ales originally brewed in Belgium. The unique Belgian yeast forms the bedrock of LaGrave's complex flavors. Strong and alluring at 8% ABV, LaGrave boasts a sweet, fruity flavor with a well-rounded mouthfeel and semi-dry, lingering bitter finish.

PERPETUAL IPA

(Imperial Pale Ale, not India Pale Ale). In our constant evolution as a brewery, we've developed a drive to meld artisanal and mechanical. Perpetual IPA utilizes our hopback and dry-hopping to engineer a bold Imperial Pale Ale. We're always testing the boundaries of modern brewing.

NUGGET NECTAR ALE

Squeeze those hops for all they're worth and prepare to pucker up: Tröegs' newest single batch brew, Nugget Nectar Ale, will take hopheads to nirvana with a heady collection of Nugget, Warrior and Tomahawk hops. Starting with the same base ingredients of our flagship HopBack Amber Ale, Nugget Nectar intensifies the malt and hop flavors to create an explosive hop experience.
